

AN ACT

ENTITLED, An Act to authorize dental hygienists to provide preventive and therapeutic services to more persons under certain circumstances.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

Section 1. That chapter 36-6A be amended by adding thereto a NEW SECTION to read as follows:

A dental hygienist may provide preventive and therapeutic services under collaborative supervision of a dentist if the dental hygienist has met the following requirements:

- (1) Possesses a license to practice in the state and has been actively engaged in the practice of clinical dental hygiene in two of the previous three years;
- (2) Has a written collaborative agreement with a licensed dentist; and
- (3) Has satisfactorily demonstrated knowledge of medical and dental emergencies and their management; infection control; pharmacology; disease transmission; management of early childhood caries; and management of special needs populations.

Section 2. That chapter 36-6A be amended by adding thereto a NEW SECTION to read as follows:

A dental hygienist seeking to provide preventive and therapeutic services under collaborative supervision shall submit evidence, as prescribed by the board, of meeting the requirements of section 1 of this Act and a fee not to exceed thirty dollars. The board shall, by rules promulgated pursuant to chapter 1-26, establish the required fee, the minimum requirements for a collaborative agreement, the preventive and therapeutic services that may be performed, the location or facilities where services may be performed, and the evidence required to demonstrate the active practice and knowledge required pursuant to section 1 of this Act.

. Section 3. That § 36-6A-40 be amended to read as follows:

36-6A-40. Any licensed dentist, public institution, or school authority may use the services of a licensed dental hygienist. Such licensed dental hygienist may perform those services which are educational, diagnostic, therapeutic, or preventive in nature and are authorized by the Board of Dentistry, including those additional procedures authorized by subdivision 36-6A-14(10). Such services may not include the establishment of a final diagnosis or treatment plan for a dental patient. Such services shall be performed under supervision of a licensed dentist.

As an employee of a public institution or school authority, functioning without the supervision of a licensed dentist, a licensed dental hygienist may only provide educational services.

A dental hygienist may perform preventive and therapeutic services under general supervision if all individuals treated are patients of record of a licensed dentist and all care rendered by the hygienist is completed under the definition of patient of record. A dental hygienist may perform preventive and therapeutic services under collaborative supervision if the requirements of section 1 of this Act are met. However, no dental hygienist may perform preventive and therapeutic services under collaborative supervision for more than thirteen months for any person who has not had a complete evaluation by the supervising dentist.

Section 4. That § 36-6A-26 be amended by adding thereto NEW SUBDIVISIONS to read as follows:

"Collaborative agreement," a written agreement between a supervising dentist and a dental hygienist authorizing the preventive and therapeutic services that may be performed by the dental hygienist under collaborative supervision;

"Collaborative supervision," the supervision of a dental hygienist requiring a collaborative agreement between a supervising dentist and dental hygienist;

An Act to authorize dental hygienists to provide preventive and therapeutic services to more persons under certain circumstances.
